FZ3010

Height Adjustable Basin (outside the wall)

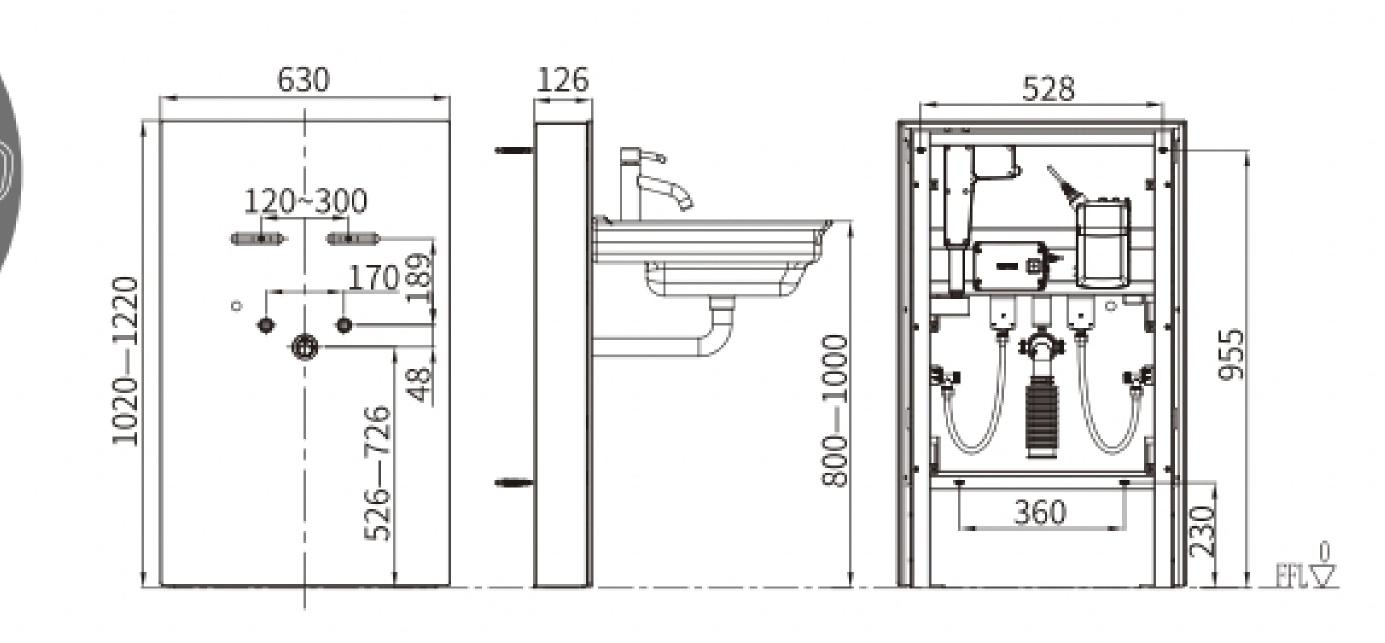

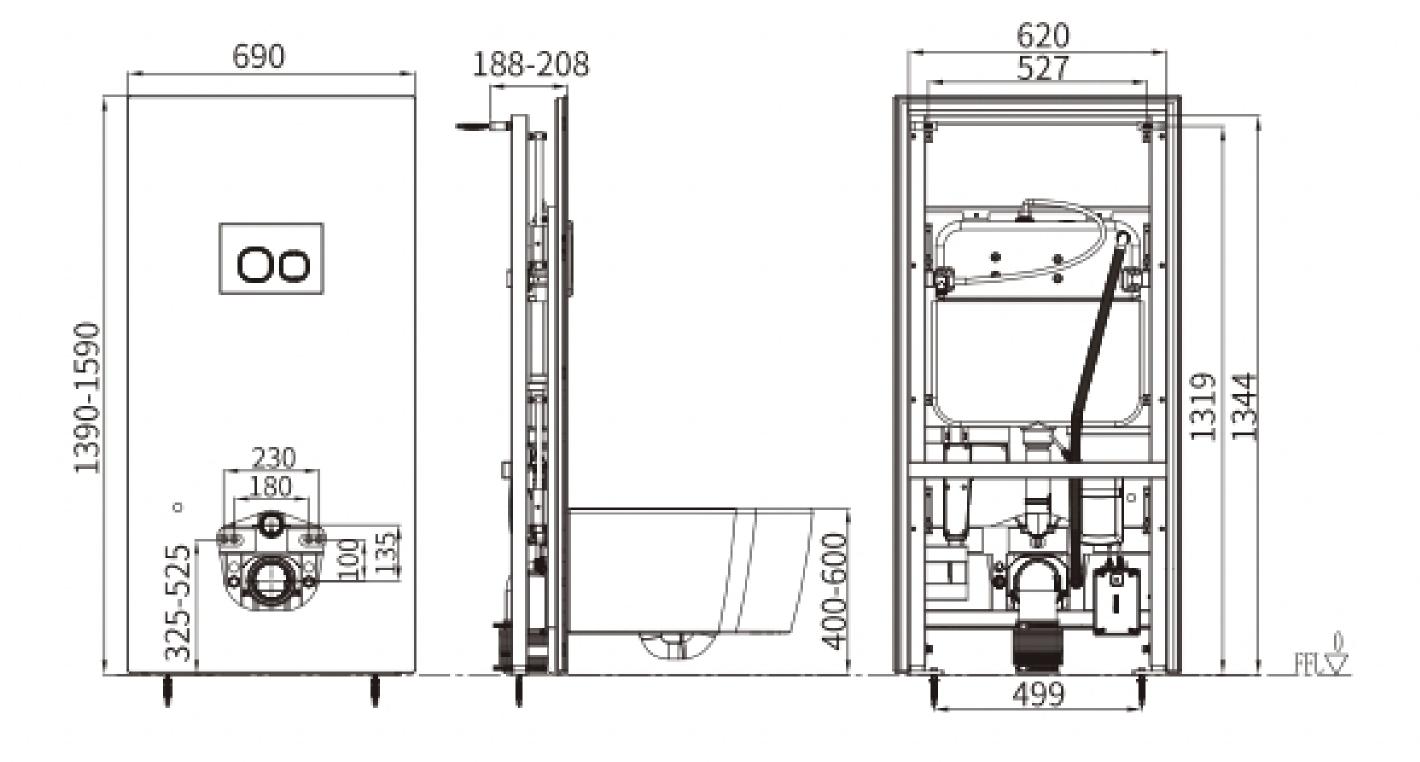

Installation

External installation

Applicable for wall-hung basin

Fit for solid wall or non-slurry wall

Features

Thickness: 126mm
Lifting range: 0-200mm
Basin height: 800-1000mm
Load capacity: 150KG
Color: black and white available

Installation

Front actuator
In-wall installation
Applicable for wall-hung toilet
Fit for solid wall or non-slurry wall

Features

Thickness: 188-208mm

Actuator dimension: 245X165mm

Lifting range: 0-200mm

Toilet height: 400-600mm

Load capacity: 200KG

Color: black and white available

Optional actuators: pneumatic/sensing actuator

Optional fitting: support armrests for toilet

FZ2010

Height Adjustable Toilet (outside the wall)

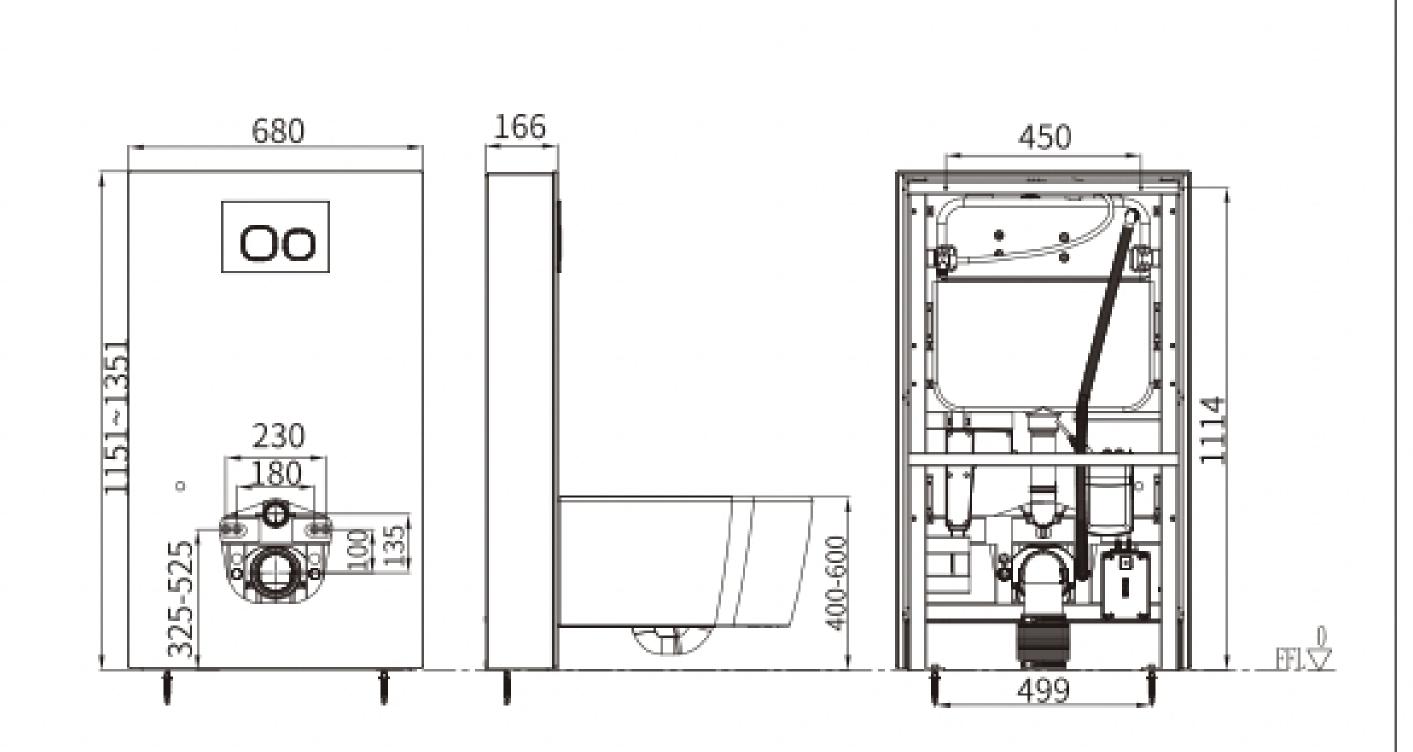

FZ3000

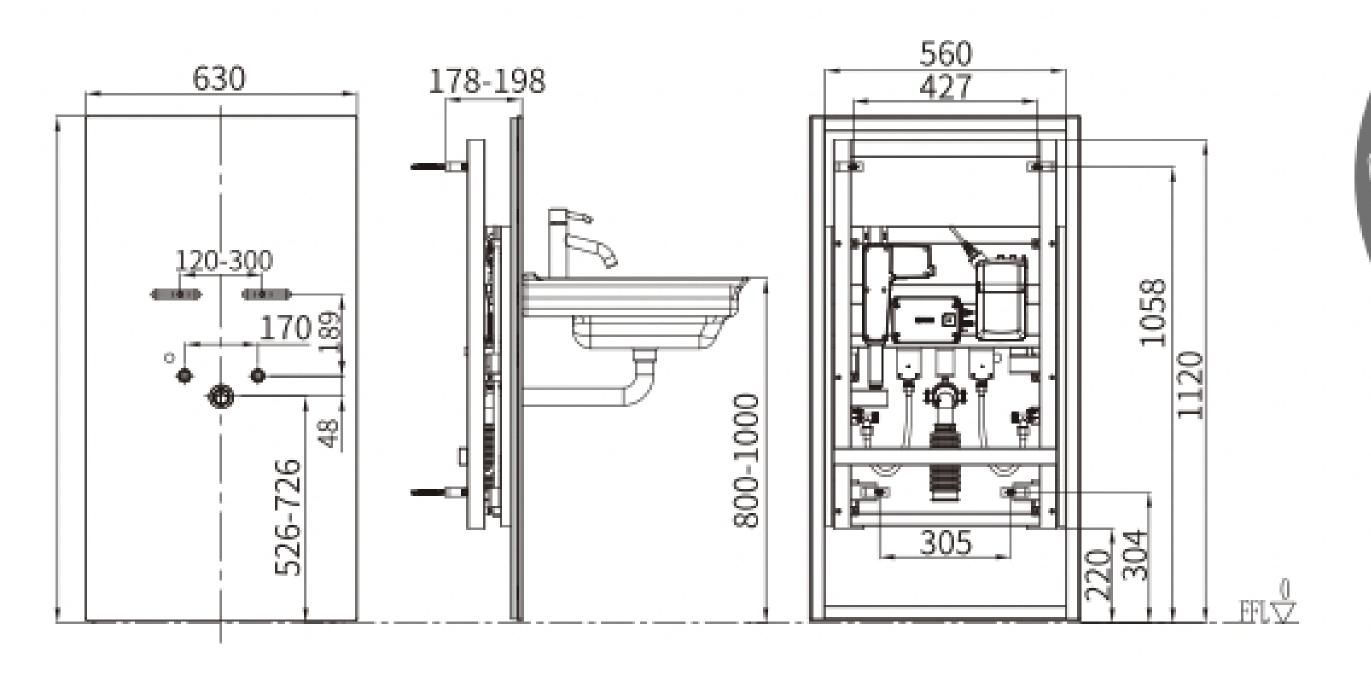

Height Adjustable Basin (in-wall)

Installation
