

Bathroom Shower Faucet Fixture

AQUATIZ

Aesthetics and functionality in perfect harmony

High-quality materials, elegant look and surprising functions leave you feeling delightfully fresh all day long

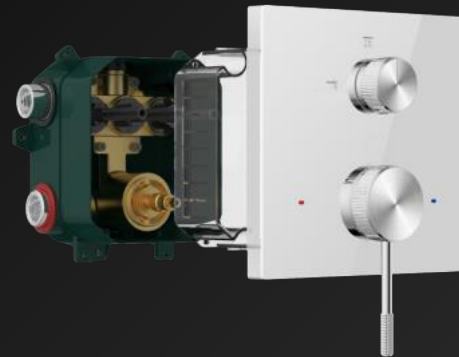

IT IS TO BE YOUR BATHROOM

Your bathroom is a private place where you feel safe and secure and truly at home.

Metallic black and minimalist design fits perfectly in modern bathroom worlds.

CONCEALED TECHNOLOGY

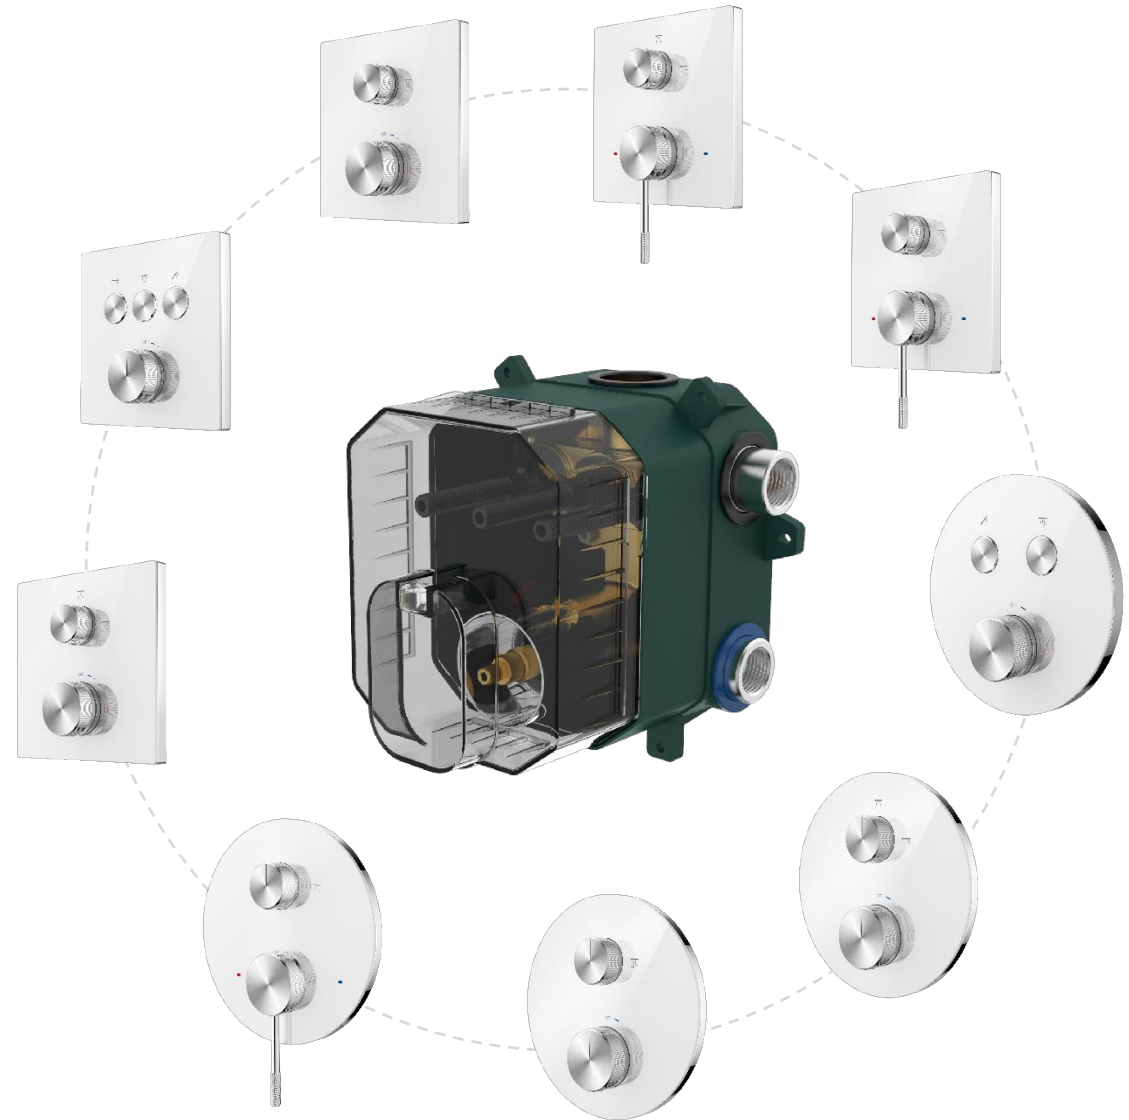

- Built-in brass valve body offers extra flexibility in plate selection;
- Lever, knob or button optional
- 100% factory tested

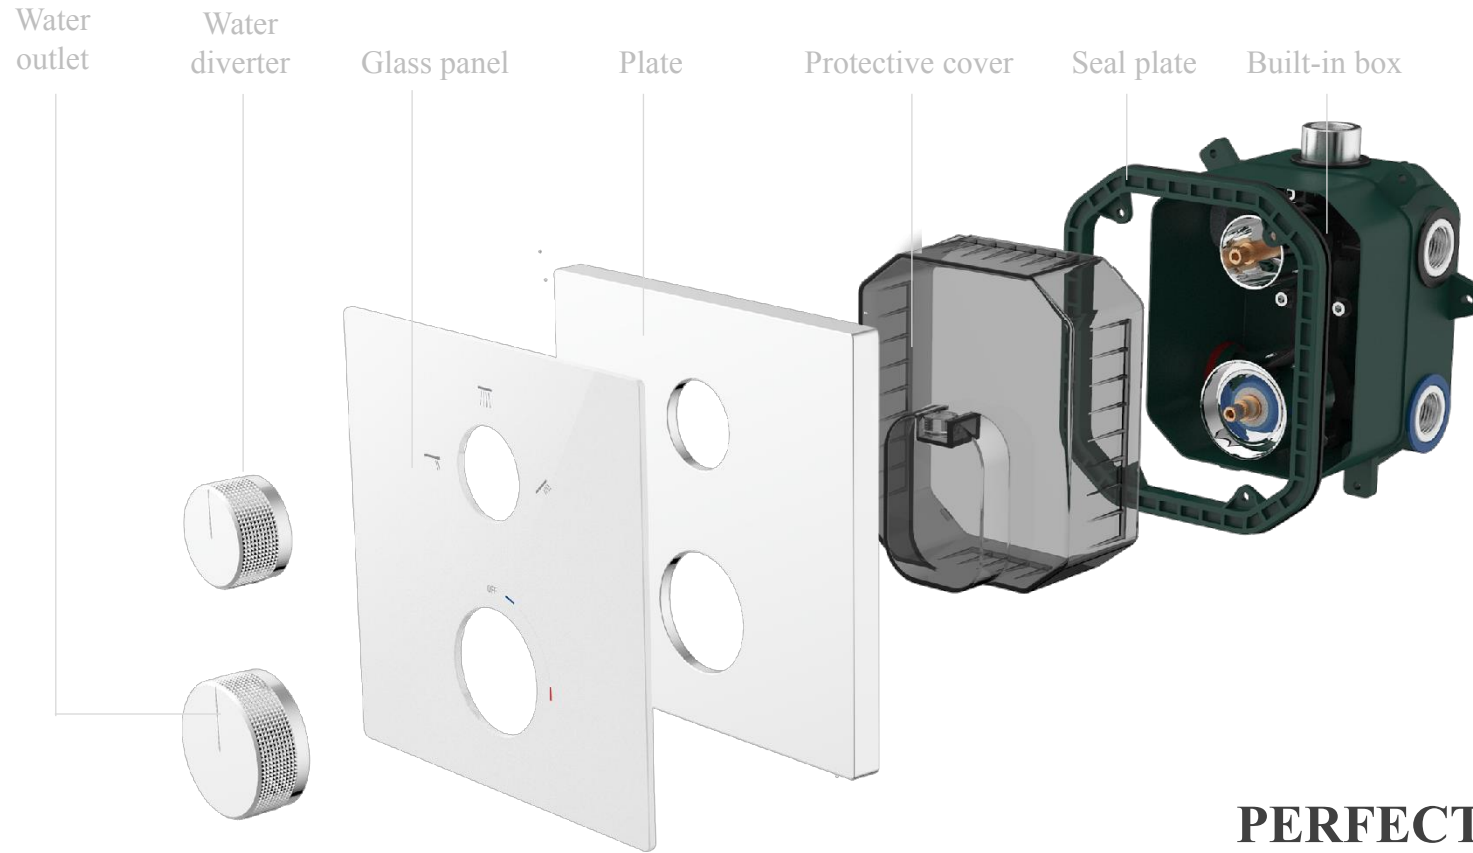

Features

THE UNIVERSAL SOLUTION

For 2-function, 3-function, single-lever, knob,
button thermostats

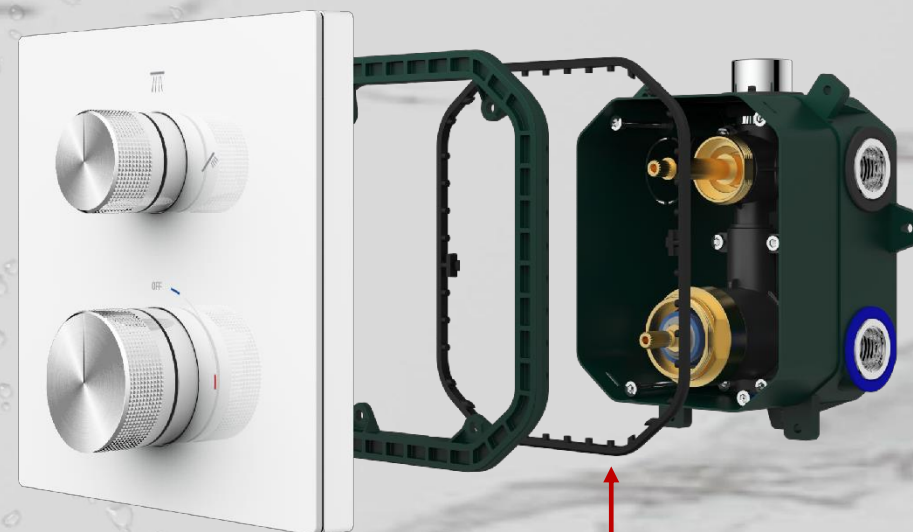

Features

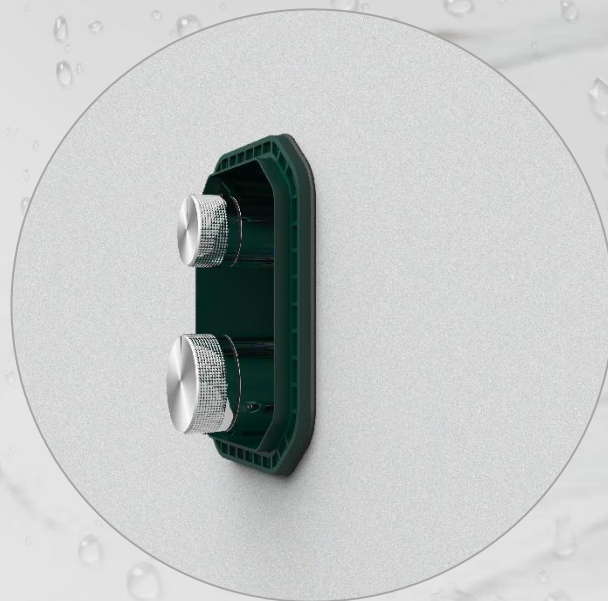

PERFECT DESIGN

Tempered glass panel, exquisite knurling texture and classic round shape, make cleaning and control easier.

Features

Seal plate

SEALING SYSTEM

Seal plate completely eliminates water behind inside box, ensuring long-lasting performance.

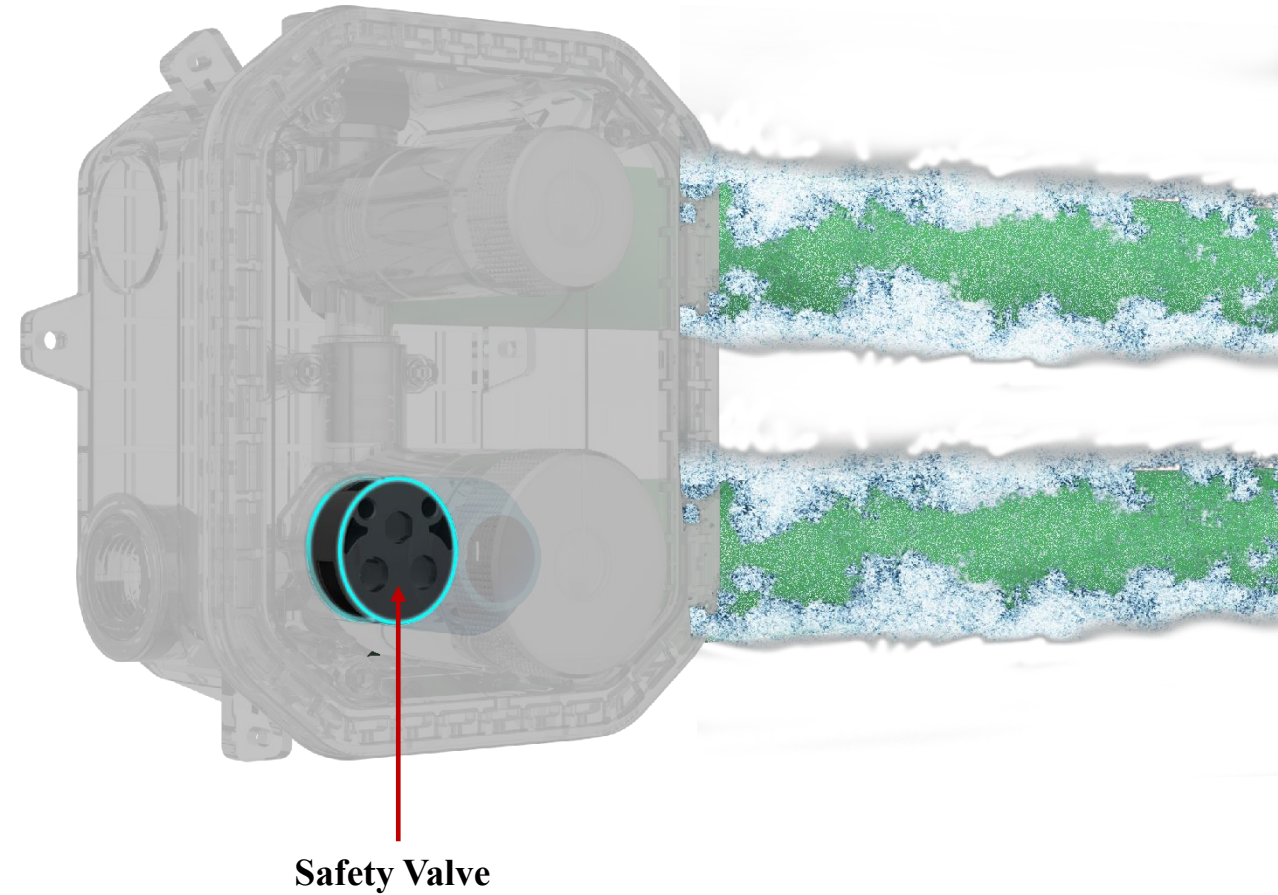

Features

BUILT-IN SAFETY VALVE

Resistant to aggressive weather conditions, anti-explosion and anti-freezing

Patent No. 202210181513.1

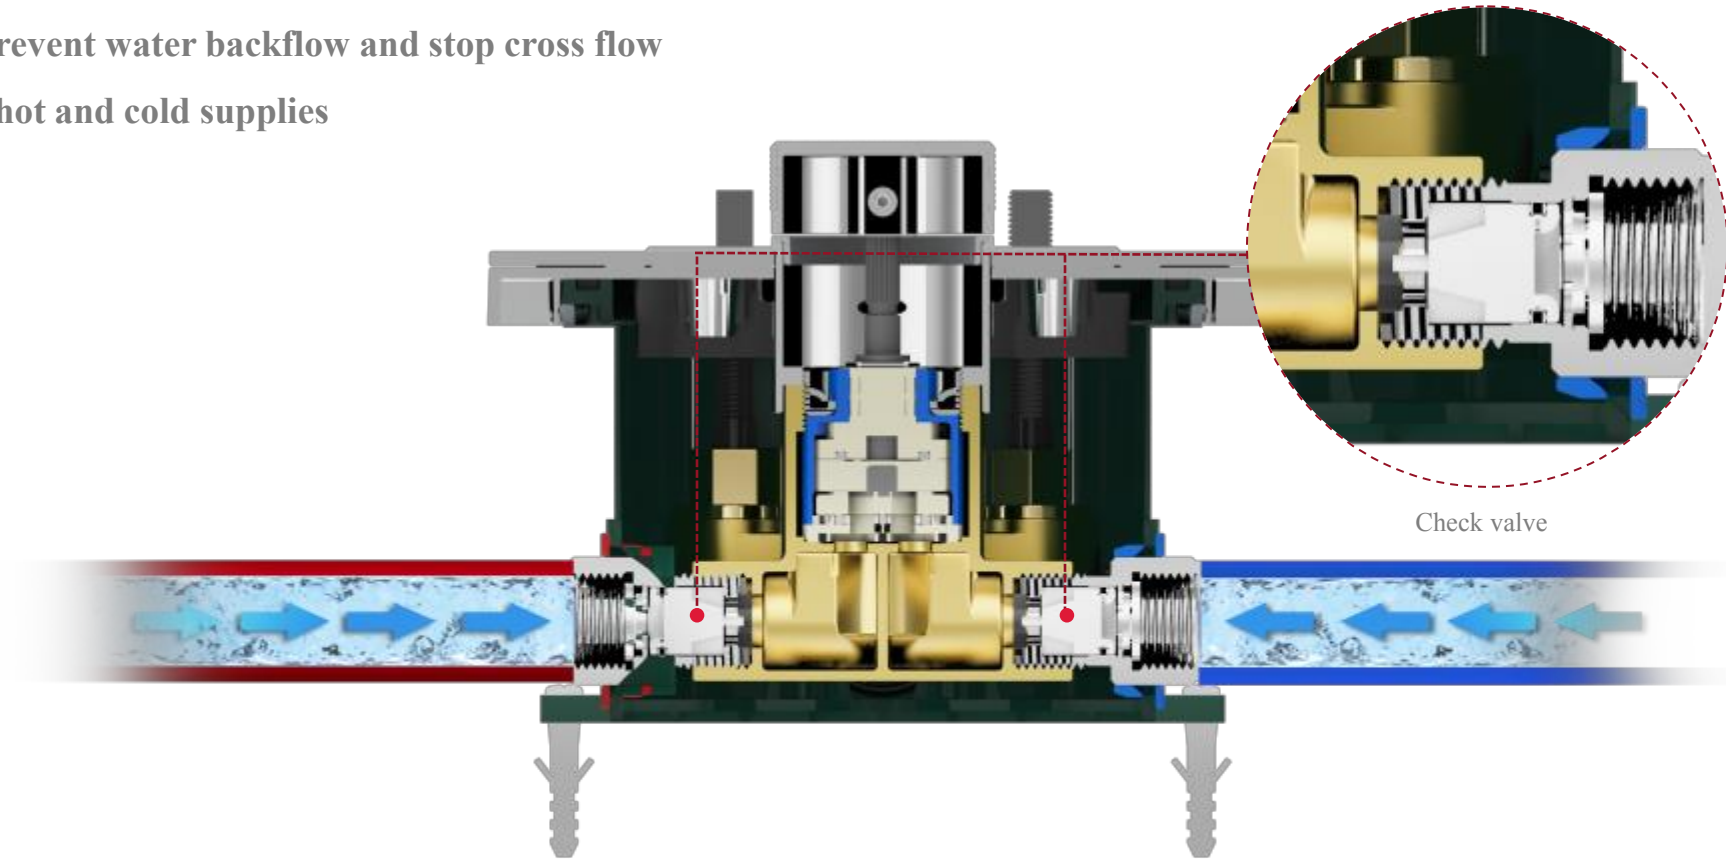

(A water valve and valve mechanism against freezing and cracking)

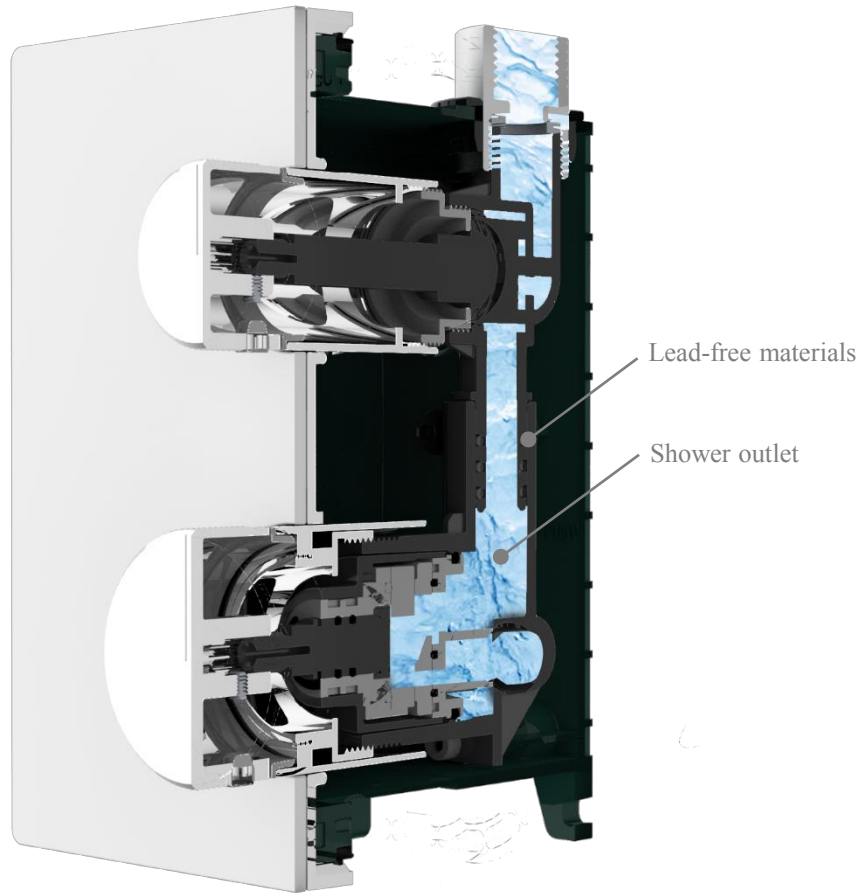

Features

BACKFLOW PROTECTION

Effectively prevent water backflow and stop cross flow
between the hot and cold supplies

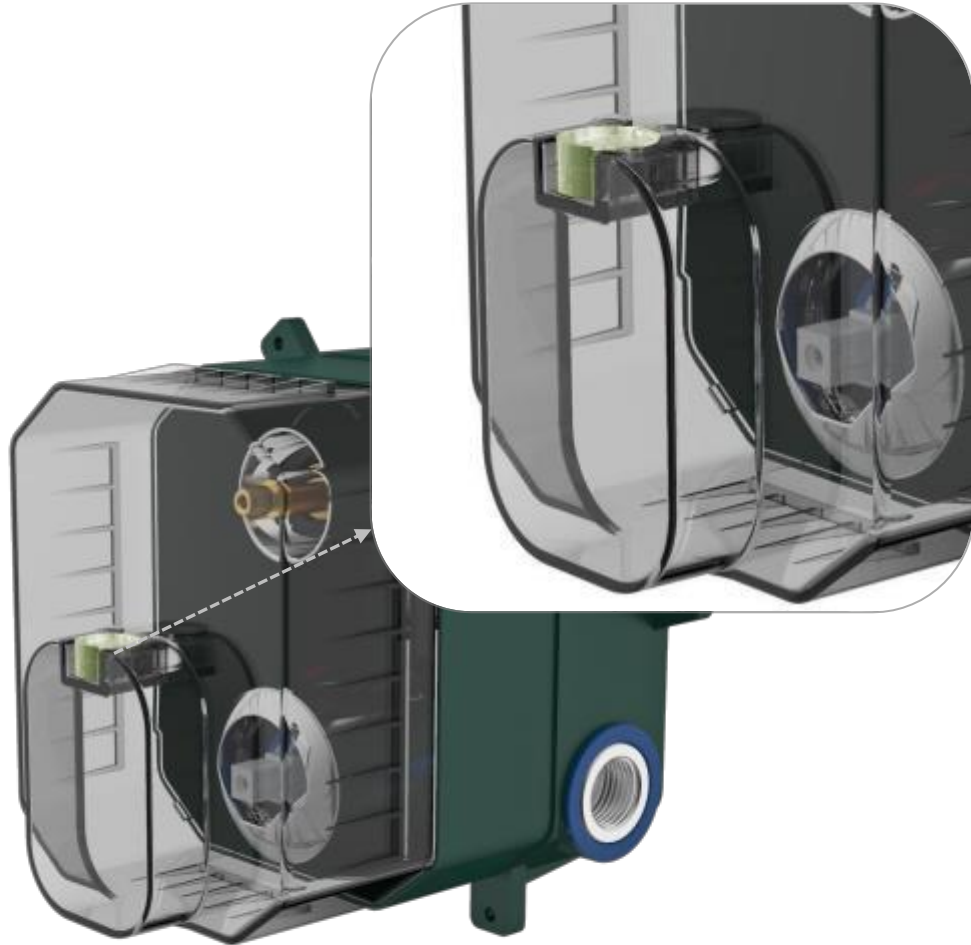

Features

INNOVATION AND QUALITY

Innovative lead-free materials reduces water contact with metals to maximize the health benefits for consumers and protects against the cold.

Features

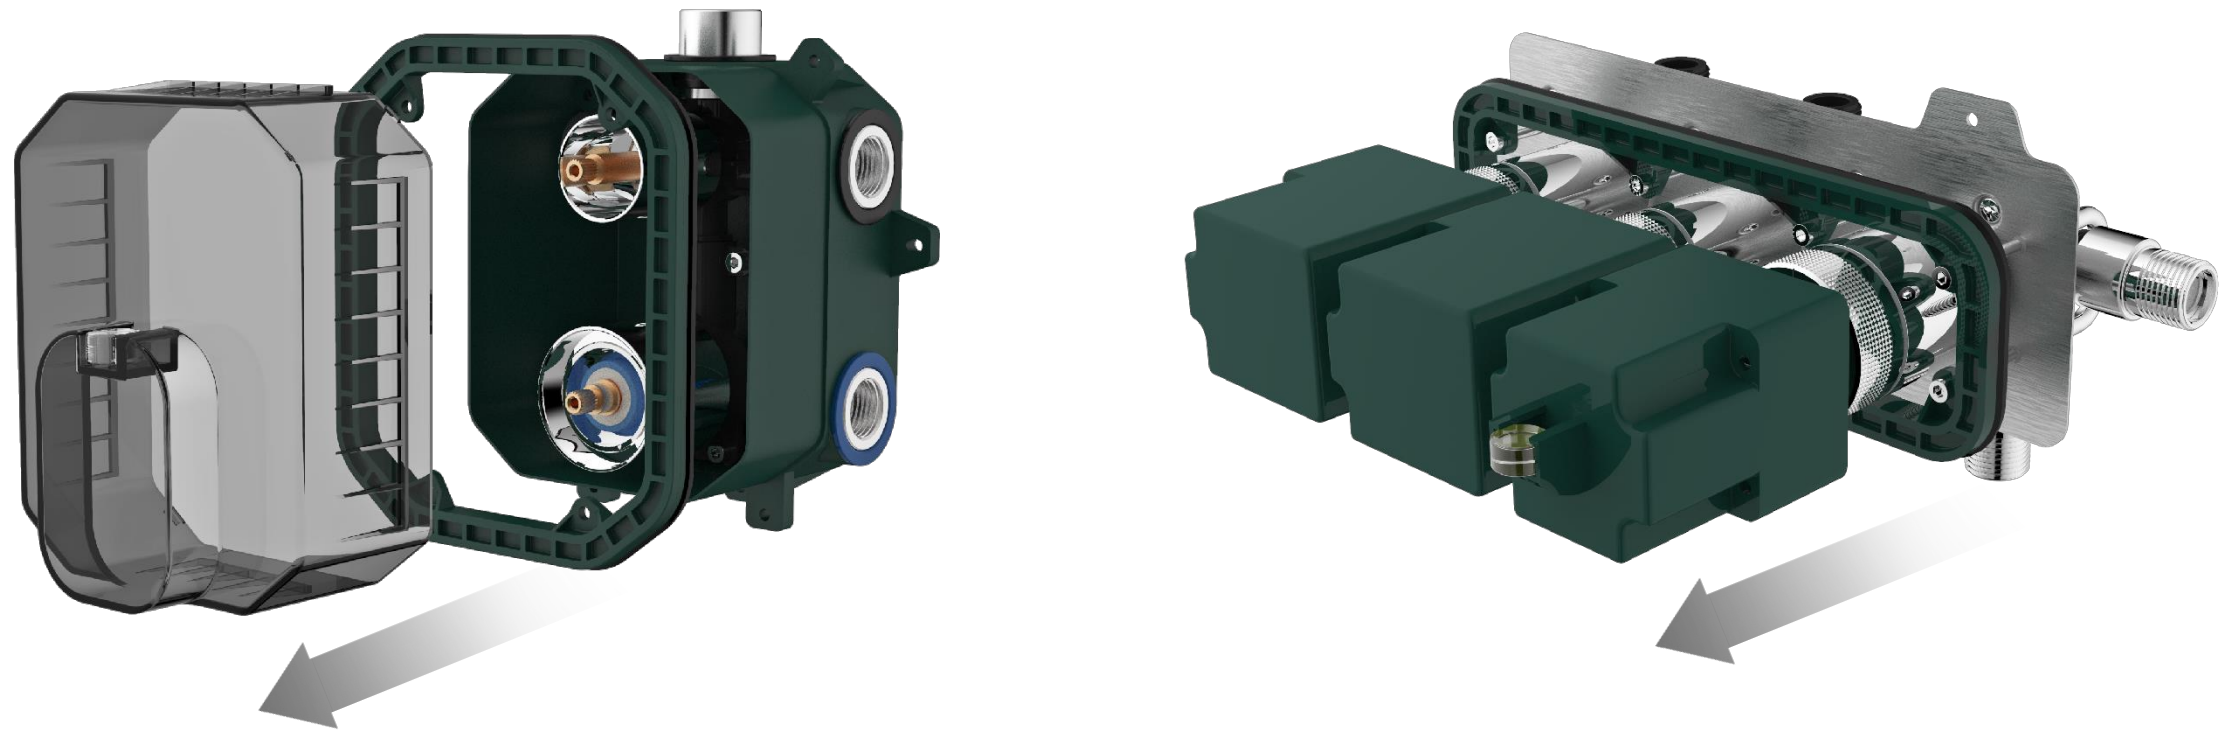

INTEGRATED 360° LEVEL

Adjust level in all directions, for perfect alignment

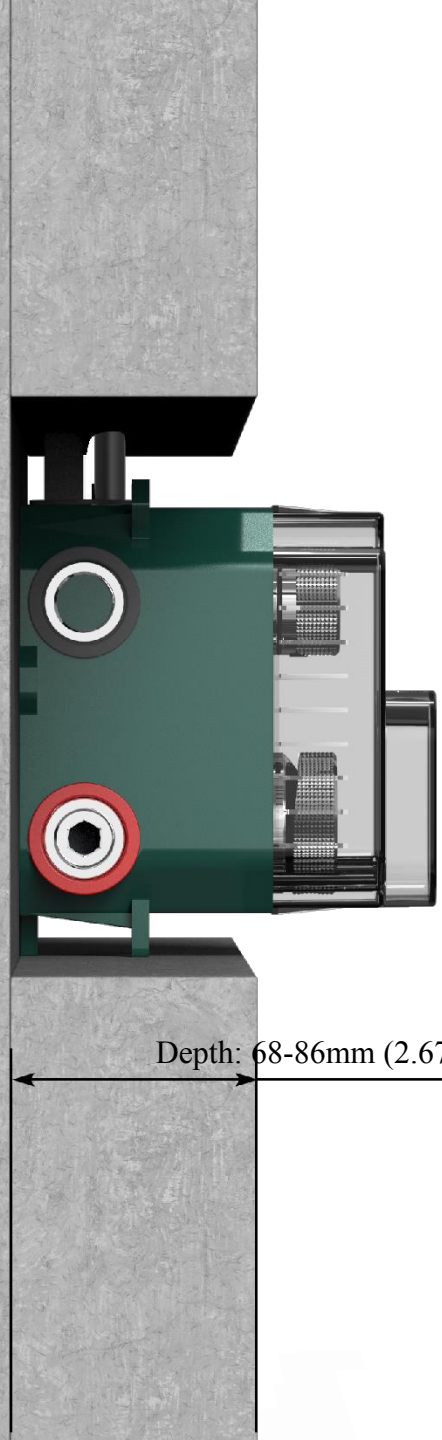

Features

INDEPENDENT PROTECTIVE COVER

Prevent sand and dust into built-in box

Features

Depth: 68-86mm (2.67-3.38 INCH)

FITS EVEN IN THIN WALLS

Adjustable installation depth from 68-86mm(2.67-3.38 INCH)

Features

In-wall installation

MUTIPLE INSTALLATION OPTIONS

Assembled bathroom
(Backside installation)

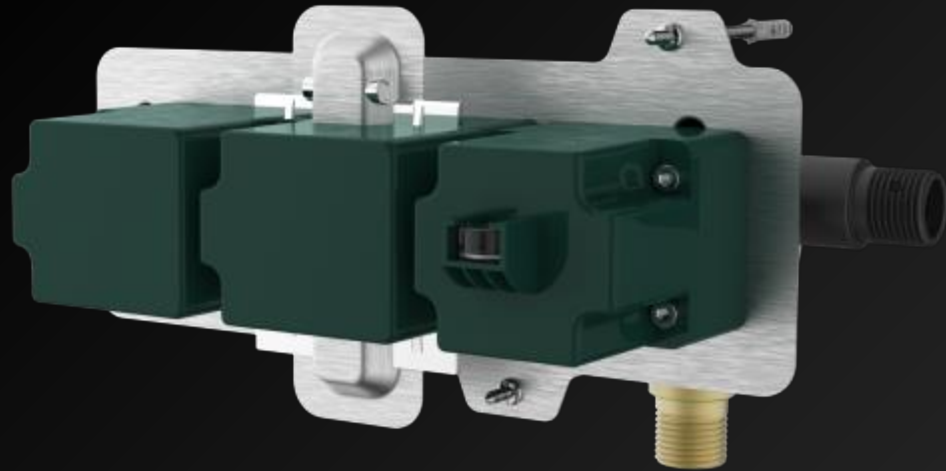

Plywood installation

R-BOX SERIES

MULTI-FUNCTION BUILT-IN BOX

Fast and efficient installation
Fits all R-BOX SERIES plates

- Modular design for extended functionality
- Wide range of plate designs
- Lever, knob, button types for selection

Features

MORE SPACE TO DESIGN

Horizontal and vertical installation at will

R-BOX SERIES

Modular design satisfies every customer requirement,
with multiple shower functions.

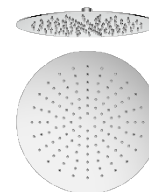

CONCEALED SHOWER FUACET

More space and more flexibility than
ever before, coupled with beautiful
design.

It is safe and easy planning,
PERFECT for your bathroom.
